Attention All Residents

In order to better serve Town residents if there is a state of emergency like last year's "October Surprise," and to comply with state requirements, we are compiling a list of residents who have special needs and may require extra or special care in case of an evacuation. Some examples of persons with special needs are invalids, bed-ridden people, or people who are on oxygen or who need power for medical equipment. Please contact me through the Town Clerk's office at the Town Hall and I will send you a form to fill out. The forms will be kept on file at both the Town Hall and the Fire Hall. Town Clerk 652-5350.
